Smj

7.1.5 Green Campus initiatives include

- Students, staff using
- a) Restricted entry of automobiles
- b) Use of Bicycle /Battery powered vehicles
- c) Pedestrian friendly roads
- d) Ban on use of Plastics
- e) Landscaping with trees and plans

GREEN PRACTICES

- a. **A Bicycle:** Several staff members and students are using bicycles. It helps to reduce air pollution and minimizing use of cars and bikes.
- b. **Public Transport:** The college is 5km away from Baramati town but the public transport mechanism is satisfactory and the cooperation is always sought by State Transport services for bus passes and frequency of buses. Staff members are also use the public transport for office work.
- c. **Pedestrian Friendly Roads:** The campus supports internal connectivity and mobility through well planned pedestrian friendly roads.

Plastic Free Campus: The College thrust on plastic free campus, with a special focus on reduction and ultimately elimination of plastic bottles, straws, utensils and plastic food packaging.

Paperless office: The College office is 85% paperless. The college utilizes its ICT resources to its full potential and generates, circulates its most of important information, notices by making the use of Digital notice Board, a functional college website, email system, staff attendance system etc.

Green Landscaping with trees and Plants: The college campus has total area of 27 acres decorated and landscaped with foliage and ornamental plants (trees, shrubs, climbers and herbs)
