16. Please provide your suggestions for enrichment of SPPU curriculum
Application on theory should be taught, and practiced
As per market changes in syllabus expected time to time
as per market education should change
change according to market is needed
change and practical approach important
change incorporated with job market
Change with time required
Compete with global standards
I did not get the job from campus, but the abilities, skills, knowledge, confidence helped me a lot, to get the job.
Improved Placements Activities
Improvise as per demand of companies
Industry Visit and placement
more practical should be their
Need to improve industrial practical knowledge giving them opportunities by actual work and 3 months internship is not enough for experience for that give authority for marking as per student work .
Please have some practical experience for students and make sure all the leading companies in the market comes for the placements in each and every college associated with the university.
Practical and industrial training required
practical approach needed
Practical Approach should be applied
Practical knowledge is more important in organization. . Over all I can say study and organization (market) is very different. Original problem is very different in real life of business.
Practical knowledge should be more than theory.
Practical mindset should be introduced
Practical Sessions should be conduct for each and every subject. Pratical sessions should be arrange especially on Stress Management, Team Work and Multitasking working.
Provide Practical Training Sessions likewise Industries so the students will get Help and motivated and they will know what exactly MNC wants From Fresher's
Revised the syllabus as per the changes in rhe industries and new modern trends of management
time to time changes in syllabus
timely changes in syllabus as per job market

Action Taken Report 2014-15			
Sr. No.	Stakeholder	Feedback	Action Taken
1	Teacher	Latest topics should be added like Selenium and Mobile Application Development	Based on the feedback received the respective courses introduced in the form of Add-on courses of VIIT.
2	Student	<ul style="list-style-type: none">▪ Syllabus must cope up with the industry need.▪ Extra courses apart from the regular syllabus must be included. May be crash courses.	<ul style="list-style-type: none">▪ Faculty members of VIIT Baramati took major lead to design the syllabus under the guidance of Dr. Amol Goje, Director, VIIT, Baramati and BOS Computer Management, SPPU. On the basis of feedback the attempt was made to introduce various courses (2015 revised syllabus of MCA and 2016 revised syllabus of MBA) which helps to mitigate the industry need.▪ VIIT Baramati introduced various Add-on courses helps to provide additional input to the students.
3	Alumni	Practical sessions should be conducted for each and every subject. Practical sessions should be arrange especially on Stress Management, Team Work and Multitasking working.	Suggestions of the Alumni are well implemented subjects like stress management and teamwork are taken seriously. Students are groomed for the same

Action Taken Report 2016-17

Sr. No.	Stakeholder	Feedback	Action Taken
1	Teacher	Syllabus must be more practical oriented	Teachers started using various software tools like MS project, CISCO Packet Tracer and SPSS. Teachers started using audio visuals and small caselets in the class.
2	Student	Duration of the MCA internship must be reduced to 6 months	Concerned issue communicated to the Director, BOS, Dean and other university authorities and they assure to look into the matter.
3	Alumni	More practical should be their	Practical sessions based on the subjects like research methodology, project management and Data Communication and Computer networks are arranged

Action Taken Report 2017-18

Sr. No.	Stakeholder	Feedback	Action Taken
1	Teacher	Teachers should incorporate case-based input in his/her sessions. Focus should be on "How to" instead of "what"	Teaching plans are devised accordingly and necessary tools to make understand case-based approach is resorted to.
2	Student	There should be less theory based subjects and more practical based subjects like php.java etc	Though languages like Python are there in the syllabus, VIIT, Baramati has given exposure to teach latest frameworks and languages through open subjects of the curriculum.
3	Alumni	Need to improve industrial practical knowledge giving them opportunities by actual work and 3 months internship is not enough for experience for that give authority for marking as per student work.	Industrial practical knowledge is provided through field work, desk work and earn while learn options.
4	Parent	-	-

Action Taken Report 2018-19

Sr. No.	Stakeholder	Feedback	Action Taken
1	Teacher	Curriculum should be enriched enough to span current subjects and topics w.r.t. the global context.	VIIT, Baramati has introduced the courses like Google Analytics, Life Coaching, and Machine Learning: Hands-On Python & R in Data Science in tune with the feedback received.
2	Student	Add more computer language subjects which are required by IT industry	All the important programming languages covered in the syllabus but the way of teaching them is changed. For eg. Earlier Java programming was taught using notepad or JCreator but now IDEs like eclipse are used which is preferred in the industry.
3	Alumni	<ul style="list-style-type: none">Provide practical training Sessions like wise Industries so the students will get help and motivated and they will know what exactly MNC wants From Fresher'sRevised the syllabus as per the changes in the industries and new modern trends of management	In the syllabus revision of 2019 the care has been taken that the student will learn the things practically and it helps to match the industry requirements.
