

SELF STUDY REPORT

Criterion 4 Infrastructure and Learning Resources

Metric 4.4.2

Institute purchases computers as well as other peripherals and equipment's with latest technology whenever available. In the annual budget adequate provisions are made for the same.

Institute keeps budget allocation every year for maintenance and upkeep of various facilities.

As and when the maintenance is required for the infrastructure and the facilities, institute puts up these issues to the management and the work is carried out accordingly.

The computers of the institute are protected from power surge. The MSEB line is directly connected to 315 KVA transformer with DG backup and then the power is distributed to the entire premise. The institute has also installed 51 KVA Solar Power System to support MSEB power supply.

Policy for Physical, Consumables and IT Infrastructure:

Title: Physical and IT Infrastructure and consumables
