

Policy for e-governance

Objective: To encourage and achieve digitization

Following regulation need to be observed:

- 1) Admission process needs to use In-House ERP software
- 2) Library also needs to use in-house software designed for Library operations
- 3) Attendance is to be Bio-metric for teaching and non-teaching staff
- 4) Academic files were to be on Server for 2016-17 and 2017-18. Digitized versions were to be updated.
